Our collective expertise supports a global investment offering that includes a full suite of traditional passive, factor-based, fundamental active, multi-manager, alternative, inflation-sensitive, fixed income, cash management and multi-asset class strategies, available in a variety of investment vehicles

## PORTFOLIO ANALYSIS, DESIGN AND IMPLEMENTATION GUIDANCE

Investment Institute members can consult with our licensed portfolio construction experts for portfolio analysis and guidance to help create solutions that align with your investment philosophy. The Institute also provides investment professionals with bespoke portfolio design to support custom mandates.

With our thoughtfully designed asset allocation framework as the foundation, we seek to construct globally diversified portfolios that meet expectations throughout market cycles. Our disciplined approach employs both quantitative and qualitative analysis to identify suitable investment strategies and combine them in ways that seek to amplify their strengths while minimizing concentration bias and overall portfolio risk. This process seeks to deliver optimized investment solutions that address complex portfolio challenges and align with investor goals. Furthermore, by using precise combinations of our quantitative factor-based strategies, we seek to provide an enhanced risk/return profile above and beyond more conventional index strategies.

## CONSULTATIVE ADVISORY SERVICES

Behind our offering is a globally diverse team of investment professionals whose expertise spans global markets, economies investment products, and more. Our holistic support model provides professional investors with a distinctive array of resources and insights to facilitate the achievement of both investment and business objectives.

Our investment solutions experts take the time to get to know your business, challenges and strategic vision, to help you leverage our program resources to your benefit. Utilizing a consultative approach, we take into consideration your priorities—as well as the broader market and economic landscape—to help you implement effective investment solutions, build scale, pursue opportunities and grow your practice.

In addition, the Investment Institute hosts a variety of educational webinars and events including the annual Investment Institute Conference and Executive Peer Winter Roundtable for Premier members.
